

Sunday, 11th May 2008

16:30–18:30

OPENING SESSION

Room # 7

Chair: Mukta Sharma

"Welcome on Behalf of IHRA"

Paul Hunt

Keynote Address (the 2008 Rolleston Oration)

"... to be followed by the formal opening of the conference by national and regional representatives and hosts."

OS

Monday, 12th May 2008

MORNING

09:00–10:30

PLENARY

Room # 7

Chair: Gerry Stimson

"The Global State of Harm Reduction"

Louisa Degenhardt

The Global State of Research

Anne Roche

The Global State of Alcohol Harm Reduction

Graciella Touze

Harm Reduction in Latin America

Olanrewaju Onigbogi

Harm Reduction in Africa

Milena Naydenova

The The Global State of Drug User Activism

P1

10:30–11:00

TEA/COFFEE BREAK

11:00–12:30

MAJORS

Room # 7

Chair: Amparo Sanchez

"Harm Reduction in Spain" – Part 1

María Jose Bravo

1162 Large decline in drug injection in Spain with continuing geographic differences.

Francisco José Caracul

956 The Heroin Program in Andalusia: Sanitary problems after heroin dispensation

Santiago Rincón Moreno

804 Ten years of methadone maintenance programmes in Spanish prisons (1996–2005)

Miguel de Andres

1265 The "Latin Alliance": re-conceptualizing Harm reduction in the south of Europe

M1

Room # 6

Chair: Srdan Matic

"Hepatitis C Prevention and Treatment"

Holly Hagan

989 What works: A synthesis of research on HCV prevention for drug injectors

Caballero, Amparo González

1343 Community advocacy in HCV prevention and treatment

Thomas Wong

521 Hepatitis C Prevention, Diagnosis and Treatment in Indigenous Populations: Opportunities for Action

Margaret Hellard

961 Acute and Early Chronic HCV Treatment Responses within a Predominantly Injecting Drug User Population: The Australian Trial in Acute Hepatitis C (ATAHC)

M2

Room # 5

Chair: Tim Rhodes

"Evidence in Harm Reduction"

Don C. Des Jarlais

991 Reduction in HCV among Injecting Drug Users following large-scale implementation of syringe exchange programs in New York City

Peter Vickerman

1241 Modelling the impact of harm reduction on HIV and HCV in low and middle income settings

Bravo MJ

1205 Evaluation of supervised injection facilities: evidence from the Spanish experience.

Thomas Kerr

705 The Science and Politics of Evaluating the Vancouver Safer Injection Facility

M3

12:30-14:00

MONDAY

13:00-14:00

14:15-15:45

Room # 7 CONCURRENT | C1-1

Chair : Christian Kroll

"Universal Access to HIV Prevention and Treatment for Drug Users" – Part 1**Martin Donoghoe****503** Setting targets for universal access (UA) to HIV/AIDS prevention and treatment for injecting drug users (IDUs)**Paul Williams****606** Coverage of HIV prevention for IDUs (country examples)**Abu S. Abdul-Quader****1302** Increasing Coverage for Universal Access to HIV Prevention, Treatment and Care: Sampling Hard to Reach Populations**Tiken Rajkumar****358** The success and challenges of IDUs on ART in Manipur, India.**Room # 6 CONCURRENT | C1-2**

Chair: TBC

"Harm Reduction Services in Prisons"**Sarah Larney****1088** Prison methadone maintenance treatment: An international review of implementation and outcomes for treated prisoners**Leah Utyasheva****681** Access to HIV prevention and treatment of IDU and prisoners in Central Asian countries and Azerbaijan: Review of Legislation**Ventura Ferrer Castro****971** Needle exchange programme in the pereiro prison (ourense). a seven-year experience.**Monica Ciupagea****1128** HIV prevention and drug related services in Romanian prisons**Room # 5 CONCURRENT | C1-3**

Chair: Emran Razzaghi

"Hepatitis C Treatment and Responses"**Michael Carden****1324** Treating Hepatitis C in Persons Actively Using Drugs Using a Collaborative, Multidisciplinary Model of Care**Simona Merkinaitė****1193** Putting hepatitis C on the public health and harm reduction agendas: EHRN experience**Anna Doab****744** Injecting drug users` (IDUs) perceptions, knowledge and willingness to participate in clinical trials related to hepatitis C treatment and prevention**Lisa Maher****255** Preparedness for candidate HCV vaccine trials in people who inject drugs: Challenges and opportunities**Room # 8 CONCURRENT | C1-4**

Chair: Marcus Day

"Cannabis"**Simon Lenton****238** Effects of the Western Australian Cannabis Infringement Notice Scheme on public attitudes, knowledge and use: A comparison of pre -post change survey data**Ross Coomber****169** The social supply of cannabis among young people - the case for an alternative conceptualisation of the drug market and for an alternative policing approach**Gervasoni Jean-Pierre****1102** Cannabis monitoring in Switzerland: the sentinel system**Daniel Abrahamon****730** Implementing Medical Cannabis Distribution in the U.S.: The New Mexico Test Case

15:45-16:15

16:15-17:45

Room # 7 CONCURRENT | C2-1

Chair : Martin Donoghoe

"Universal Access to HIV Prevention and Treatment for Drug Users" – Part 2**Professor William E Butler****567** The right to opioid substitution therapy programmes under international law**Tim Rhodes****248** Hope, stigma and HIV treatment uncertainty: A qualitative case study**Donna Higgins****884** Scaling up access to HIV testing and counselling for people who use drugs and for prisoners**Annette Digna Verster****920** Improving access to essential medicines for opioid substitution therapy**Room # 6 CONCURRENT | C2-2**

Chair: Larry Campbell

"Beyond Drug Use: Housing, Employment and Law"**Marlatt, G. Alan****1174** Harm Reduction: Innovations from the University of Washington**Mar Fernandez Cifuentes****1299** RECOJE.CAUSAS a step towards social integration of illicit drug users**Lene Tanderup****951** Harm reduction focusing on severe alcohol misuse among homeless citizens in Copenhagen**Carmen Romera****900** Drug users' insertion into the labour market: a dream made truth**Room # 5 CONCURRENT | C2-3**

Chair: Roy Robertson

"Hepatitis C Risk and Prevention Research"**Pedro Mateu-Gelabert****328** How do long-term injectors avoid hepatitis C?**tbc by Holly Hagan****945** Time at Risk: Meta-analysis of HCV infection in relation to onset of drug injection**Peter Higgs****538** Hepatitis C sero-conversion in cohort of injectors in Melbourne**Noel Craine****246** Hepatitis C Virus incidence amongst drug injectors: effects of opiate substitution treatment and homelessness**Room # 8 CONCURRENT | C2-4**

Chair: Rene Stamm

"Education and Training in Harm Reduction Strategies and Approaches"**Ambros A. Uchtenhagen****960** What do we know about needs and opportunities for training in harm reduction strategies and approaches ?**Gulmira Torokulova****586** Harm reduction education and training – Central Asia experiences**Jean-Francois Martinbault****998** Which came first: 'bad' rules or 'bad' clients?**Joy Barlow****815** How to build an international network for education and training in harm reduction strategies and approaches; plans for preparing and evidence-based curriculum

17:45-18:00

18:00-19:30

Room # 6

Host: Ernst Buning

6PM1-1

"The Role of New Technology in Harm Reduction"**Gregory Scott, 629** Using Film to Promote Better Health among Injection Drug Users**John Fitzgerald, 422** Syringes and culture: using the web as a window onto the everyday construction of the cultural meaning of syringes**Carla Treloar, 531** Blood, peers and video tape: Developing innovative blood awareness messages using analysis of video recordings of injecting in a peer education framework**Susan Boyd, 525** Visualizing a century of fictional film representations of women and drugs

LUNCH SESSION

FILM FESTIVAL

Room # 3 FILM FESTIVAL | FF1-1

CONCURRENTS

FILM FESTIVAL

Room # 3 FILM FESTIVAL | FF2-1

Room # 11 CONCURRENT | C1-5

Chair: Vivian Hope

"Injections and Infections"

Elisa Lloyd-Smith

1268 Risk factors for abscesses at an injection site

Robin Pollini

1289 High levels of abscess incidence and self-treatment among IDUs in Tijuana, Mexico, warrant intervention

Fortune Ncube

626 First findings from national surveillance of symptoms of injecting site infection or injury: an examination of the extent and associated factors.

Rohan Sweeney

737 What is the economic burden to the public health system of treating non-viral injecting related injury and disease in Australia?

Room # 12 CONCURRENT | C1-6

Chair: Jordi Casabona

"Researching HIV Risk and Prevalence"

Platt, Lucy

1338 Changes in HIV prevalence and risk among new injecting drug users in a Russian city of high HIV prevalence

Barbara Tempalski

1046 HIV prevalence among injection drug users in 96 large US metropolitan areas, (1992–2002)

Olivier Letouze

1194 Factors that Contribute to IDUs' Vulnerability for HIV Transmission: The Case of Two Under-Researched US-Mexican Border Towns

Emran Razaghi

805 High risk behaviors related to injection drug use (IDU) in Iran, and 8 year trend analysis

Room # 4 CONCURRENT | LR1-1

Chair: Rick Swinard

Raising Awareness "Outside the Bubble"

Amy Salmon

1050 Beyond Plain Language Summaries: Lessons Learned from a Community-Driven Knowledge Exchange Project to Address the Health Information Priorities of Women who use Drugs

Wouter de Jong

921 Harm reduction among active cannabis users in Rotterdam: evaluation of a prevention programme in coffeeshops

Galina Kitsenko

1069 Harm Reduction Training in Law Schools in Ukraine

Ajjanto Dwi-nugroho

854 Indonesia: journalists-activists - alliance supporting harm reduction movement through media

Chair: Stijn Goossens

"Users Choice: Discrimination Versus Rights"

Pere Martinez

1350 Opiate Addiction Treatment Programmes in Spain:

The Pilot Heroin Maintenance Project

Ekta Thapa Mahat

181 Discrimination vs rights

Rebecca Brooks

738 Vital Voices

Fredy Fredy

1096 Fight Against Discrimination Through Critical Education to PUD

Room # 6

M5

Chair: Kasia Malinowska-Sempruch

"Women, Harm Reduction and HIV: Obstacles and Opportunities"

Peter Meylaks

988 Barriers to Women Drug Users' Access to Services in St. Petersburg: Preliminary Results of a Qualitative Study

Amala Rahmah

840 Do Health Services Address the Needs of Female Drug Users? A qualitative study in 8 Indonesian cities

Sophie Pinkham

1210 Obstacles to Women's Access to Harm Reduction Services in Ukraine and Georgia: New Research

Wyndi Anderson

391 Uniting Harm Reduction and Women's Rights: The U.S. Experience and International Opportunities

Room # 5

M6

Chair: Marjana Martinic

"Alcohol Harm Reduction for At-Risk Populations"

Arthur W. Blume

417 Harm reduction for alcohol use in colleges and universities: Making programs accessible to all students

Alasdair Forsyth

263 Point-of-purchase interventions and their usefulness in reducing the consequences of risky drinking by young adults

Dusan Nolimal

860 Dealing with alcohol use disorders in primary health care: combining harm reduction and health promotion.

Betsy Thom

339 From lady to ladette? Women as an `at risk` group

12:30-14:00

TUESDAY

13:00-14:00

14:15-15:45

Room # 7 CONCURRENT | C3-1

Chair : Afarim Rahimi

"From Implementation to Universal Access"**Raminta Stuikyte**

980 Towards universal access in the HIV field in Eastern Europe and Central Asia – will there be universal access to harm reduction in 2010?

MAGUET Olivier

935 Implementing harm reduction in Afghanistan (2006-2007)

Kasia Malinowska-Sempruch

1114 More Than Needles: Beijing's First Needle Exchange Moves Towards Comprehensive Service Provision

Richard Mattick

1157 Global estimates on coverage of HIV prevention and care services for people who inject drugs

Room # 6 CONCURRENT | C3-2

Chair: Laura Murray

"Young People"**Caitlin Padgett**

1116 Voices of Young Women in Harm Reduction: Improving Support and Services

David Murray, Marion Green

398 Cross cultural healing - a partnership model

Leila Pinto

1053 Mobile Outpatient Unit: Strategy for Risk and Harm Reduction for Street Child-Adolescent Drug Users in Salvador, Bahia-Brazil

Lisa Bachmeier, Sean Leary,**Adam Rutherford**

1223 R.A.I.N. - Reaching Adolescents In Need; Utilizing a Harm Reduction Framework in Adolescent Mental Health Outreach

Room # 5 CONCURRENT | C3-3

Chair: Susie McLean

"Women, Risk and Harm Reduction"**Toby Seddon**

1324 Women, Harm Reduction and History

Sheryl McCurdy

1311 The Need for Gendered Harm Reduction Measures in East Africa

Benedict Kossi Afasanwo

1171 Gender Roles and Harm Reduction among Drug-Using Women.

Vicky Bungay

399 Minimising the Harms of Crack Cocaine Use: Women's Health Management Strategies

Room # 8 CONCURRENT | C3-4

Chair: Deborah Coles

"Overdose"**Debra Kerr**

374 Effectiveness and safety of intranasal naloxone for the treatment of heroin overdose by paramedics.

Sharon Stancliff

910 Overdose Prevention: Building Capacity

Neira M

1207 Lack of preventive behaviours for opioid overdoses among young heroin users in Madrid, Barcelona and Sevilla

Traci Craig Green

913 Characterizing the overdose risk environment in St. Petersburg, Russia

15:45-16:15

16:15-17:45

Room # 7 CONCURRENT | C4-1

Chair : Bernadette Pauly

"Healthcare Interventions to Reduce Harm"**Richard ALAN Wood**

1246 Socio-cultural, Environmental and Structural Influences in Injection Practices of Women Who Use Drugs in Vancouver, Canada

Anne Fran'ois

1004 Syringe exchange for patients in a general hospital: a ten years experience in Geneva

Natalia Navarro Gallarda

Chin-hui Yang

331 Comparison of Factors affecting the mortality rate of Injecting Drug Users with HIV infection in Taiwan

Room # 12 CONCURRENT | C5-6

Chair: Patricia Spittal

"Ethno-Epidemiological Approaches to Understanding and Reducing Drug-Related Harm"

David Moore

349 Psychostimulant use and related harms amongst young Australians: Developing an integrated ethno-epidemiology

Paula Mayock

614 Onset of Heroin Use among `High Risk` Youth in Ireland: An Ethno-epidemiological Approach

Alex Kral

725 Cross-Methodological Research with Injection Drug Users in San Francisco

Will Small

733 Combining social epidemiology and ethnography to study health among Injection Drug Users in Vancouver

Room # 4 CONCURRENT | LR5-1

Chair: tbc by Jamie

"Reducing Harms in Sex Work: Practical Presentations from Peer-Led Programmes"

kittenINFINITE

1303 Work Smarter, Not Harder: risk management with safer sex work practices

Robyn Few

588 DEC 17th International Day to End Violence Against Sex Workers

Penelope Saunders, Kiesha McCurtis

1001 Intensive training for sex workers via a new capacity building model: the National Sex Worker Leadership Training Institute

Room # 11 CONCURRENT | C6-5

Chair: TBC by Jamie

"Sex Work: The Impact and Harms of Criminalisation and How to Reduce Them"

Pye Jakobsson

1290 The Swedish Model - an excuse to ignore harm reduction

Rachel Wotton

1067 Just do it: Decriminalisation as a best practice model for sex industry regulation – the Australian experience

Darby Hickey

1307 How do commercial sex policies affect the people that they target? A community-based research project in Washington DC

Angelina Georgieva

195 HESED`s experience and good practices in outreach work among sex workers in Bulgaria

Room # 12 CONCURRENT | C6-6

Chair: Elise Roy

"Routes of Drug Administration"

Carol Strike

909 Initiation into injection drug use: necessary and background processes

Alan Neaigus

1028 Heroin injectors who also use non-injection heroin have lower injecting frequency and lower HCV infection rates

Rachael Pizzey

504 Distributing foil to promote transitions from injecting: an acceptability study and impact evaluation

Robert Gray

1065 Preventing transition into Injecting Drug Use (IDU): Results from a Central Asian Intervention

Room # 4 CONCURRENT | LR6-1

Chair: Danny Kushlick

"The Arguments Against (and Responses For) Tobacco Harm Reduction"

Francis Tenorio

1040 Beliefs about the comparative risks of tobacco products: a review of the survey research

Dunsi Oladele-Rabiu

977 Smokers` perceptions of benefits of smoking and the implications for tobacco harm reduction

Courtney Heffernan

1021 Channeling Conclusions: The role of framing in Tobacco Harm Reduction and other Harm Reduction methods.

Lisa Cockburn

1033 Expanding understandings of addiction: Tobacco harm reduction requires attention to why people smoke

Paul Bergen

1024 The legitimate debate: the most valid concerns about tobacco harm

TEA/COFFEE BREAK

FILM FESTIVAL

Room # 3 FILM FESTIVAL | FF11-1

CONCURRENTS

BREAK

CONFERENCE PARTY

Thursday, 15th May 2007

MORNING

10:00-11:30

PARALLEL PLENARY SESSIONS

Room # 7 **M10**
